

WE'RE REOPENING OUR PRACTICE WITH YOU IN MIND

Great news, we're open!

We've been working hard preparing the practice and our team for our re-opening and have made sure that your appointments will be the safest and most reassuring they can be.

We would like to see you all as soon as possible, but we will be running reduced clinics so and we will need to prioritise our urgent patients. If you are in any pain or discomfort, please email us at info@clearlyortho.co.uk and we will contact you.

For all other patients we will be in contact with *you* to book an appointment as soon as we can.

Our absolute priority is keeping you and our staff safe. We have additional PPE and ourselves and the practice will look a little different for a while.

Find out below exactly what to expect...

ATTEND APPOINTMENTS ON YOUR OWN

Whenever possible, please attend appointments on your own, wearing a face covering if possible. A parent/guardian can accompany a child (under 16) to the practice but they will be encouraged to wait in the car park.

WE MAY ASK YOU TO WAIT OUTSIDE UNTIL YOUR APPOINTMENT TIME

Please don't arrive early. We will be asking patients to wait in their car until we call you in for your appointment. If you are unable to wait in a car please bring suitable clothing dependant on the weather.

WHERE POSSIBLE PLEASE RESPECT SOCIAL DISTANCING

We've added new signage to help guide social distancing (2m) within the practice. Some seating may be out of use but there will be signage where appropriate.

CONTACTLESS PAYMENTS

We will only be accepting contactless payment methods during this time (e.g contactless card or phone tap, bank transfers or payments over the phone).

USE HAND SANITISER ON ARRIVAL

We've installed new hand sanitiser dispensers. We ask that all our patients use the provided hand sanitiser on arrival and departure before touching any doors or surfaces

THANK YOU!

We can't thank you enough for your continued patience and understanding.

We're looking forward to seeing you all soon!

From all the team at Clearly Orthodontics
